

Mens Captain's 2021 Report

Wow what a year 2021 has been. It definitely has thrown up some challenges but nothing the Belvoir Park Golf Club can't handle. Unfortunately, due to Covid 19 we have been hit hard with restrictions and lockdowns all year which has made it hard to plan and play a lot of major events at the club, however we were able to complete a few events this year so it hasn't been a complete waste of time.

We started the year off with a busy and packed calendar with the Summer cup/trophy which then led straight into the Men's and Women's Championships which then was followed straight after by the Men's and Women's pennant season.

Belvoir Park was well represented in the Men's pennant final with sides competing in Div 1, Div 2 and the Open div which shows just how much talent we have playing at Belvoir park. Thank you to all the players that gave up their time to represent Belvoir park and a big congratulation to the teams that were able to get up and bring home a flag. All results from the Summer cup/ trophy and the Championships are still up on team app for everyone to see. We still have a couple of gold letter events still in progress so fingers crossed we can get back to some sort of normal to be able to complete these events.

It's amazing how every year the golf course just keeps getting better and better and that's all thanks to Freddy, Peter and all the volunteers that give up their time to help improve and maintain the course. Your efforts don't go unnoticed and I think I can say that on behalf of all members. we thank you for everything you do.

Lastly I would like to give a big thank you to everyone that has helped and supported me though my time as Captain. Having a mentor like Geoff Adamson to teach me the ropes while I was Vice Captain set me up and really gave me the confidence to take the next step so I cannot thank him enough for that.

I would also like to give a massive thanks to my Vice Captain, Tristan Holmes, having you beside me for support and encouragement made my time as Captain a lot less stressful knowing I had you there helping out.

To Mark Perry and Mark Smith, having you guys around for support and help has been invaluable so thank you boys.

To the Match Committee, having you there to help make discussions and to throw ideas at has been a big help, so thank you for your time, effort and support.

To the members of Belvoir Park Golf Club. Thank you for all the support not only to me but to the golf club. Without you the golf club couldn't survive. The future looks very bright for the golf club and I can't wait to see what's ahead.

Men's Summer Cup results

A Grade winner: Daniel Griffin 42/36/38	116
B Grade winner: Shaun Bishop 37/43/36	116
C Grade winner: Pat Duffy 37/36/39	112
