

Introducing Belvoir Park Golf Club's new Head Professional

Jacob Boyce | PGA Professional

Email: jbpro.daily@gmail.com **Phone:** 0428 001 757

Honouring the Legacy. Elevating the Future.

Belvoir Park Golf Club stands as one of regional Victoria's great golfing treasures where tradition, community, and the love of the game have created something truly special since 1947.

It's a club that deserves more than just a "Pro." It deserves a **partner**. Someone who can not only protect the heritage of the club but also **build upon it**.

That's the lens through which Jacob views this opportunity. Not just to run the golf operations, but to help **drive a new chapter of growth, experience, and member value**.

Who Is Jacob Boyce?

Jacob is a fully qualified and passionate **Australian PGA Member**, a past tour player, business owner, and above all, a family man, engaged to fiancée Nikky with a young daughter Malia and a son on the way.

What that means is simple:

Jacob understands the value of **consistency, professionalism, and long-term thinking**, qualities which are essential for serving and supporting a member-driven golf club like Belvoir Park.

Jacob has been in golf since his traineeship commenced in 2014, but his most recent business was of a boutique fitness and coaching studio.

As a PGA Professional, Jacob also built a reputation for excellence on the course winning multiple Pro-Ams, qualifying for national events, and being recognised as **2018 Queensland's Rookie of the Year**.

But more than that, Jacob sees his role as **more than a coach** or shopkeeper. He is someone who represents the values of the club, takes pride in presentation, leads by example, and helps build a culture where members feel proud to belong.

Jacob's Commitment to Belvoir Park

The role of Head Professional is much more than opening a shop and giving lessons. It's about becoming a **pillar of the club**, representing its values, serving its members, and helping the club grow sustainably.

Here's what Jacob is excited to bring:

Flawless Golf Operations

- Operate the Pro Shop **7 days a week**, with systems that deliver consistency and polish
- Handle all competition tasks, green fee collection, and visitor management
- Set the tone for hospitality, professionalism, and pride in the club's public-facing service

Member-Focused Coaching & Programs

- **Junior Academy** with term-based programs, school holiday camps & school outreach
- **Ladies Clinics & Community Golf** tailored for fun, safety, and improvement
- **One-on-one and small group coaching** that helps members feel supported on their golf journey
- All programs will be aligned with Golf Australia initiatives to strengthen club participation metrics.

Pro Shop That Reflects Club Standards

- A curated selection of high-quality retail equipment and apparel **not cluttered shelves**
- In-house **club fitting, regripping and repair services**
- Members' **voucher redemptions honoured promptly and professionally**
